Cyberwatch Robert Genest gave a 2nd Quarter Report on the area. No home break ends noted but five car break-ins noted. Crime reports elsewhere in San Pedro showed 222 crimes identified. Lead officer on medical leave. He will have a replacement.

SSCA Public Events: The Board again discussed the likelihood of scheduling a public membership event in September, depending on existing health safety protocols. ZOOM meetings will continue for the near future. Richard Welsh reviewing process for what can be done at this time. The Elk's club is in uncertain feasibility with expensive use costs to negotiate.

Future Presentations: Ed Storti suggested that future topical presentations be again face to face utilizing the nearby Episcopal Church near Ninth and Western. Perhaps three presentations could be arranged for during a program year. He is in contact with local church officials.

Resident Exchange Proposal: An idea is being explored by Anita Mannila to identify residents who would wish to engage on a periodic basis to socialize and share interests (perhaps those who are single or experiencing a need to engage in other residents with similar interests). Further input will come from her at a future meeting. She suggests doing outreach via guest speakers at local community events.

Public Relations – Archives Caretaking – Under discussion.
